

# Custom Oligos

SCIENCE @ WORK

## Sigma-Genosys Oligos are now available through the PNAACL!

FREE Shipping and convenient Pick-up points:

- PNAACL—4th Floor, Biotechnology Center
- CSRB outside room 8801
- Unmatched Experience—20 Years Providing Custom Oligos to Life Scientists
- Premium Quality—Every Oligo Is Quality Checked by Mass Spectrometry or CE
- Consistent Delivery—Standard Oligos Ship within 24 Hours
- Easy Ordering and Order Tracking Available Online
- Dedicated Customer and Technical Support Staff
- Quality Is Always Guaranteed

Welcome to the Washington University PNAACL Custom Ordering Website

### Standard Tube Pricing:

DNA Oligonucleotides: Standard Synthesis and Purification				
Scale (μmole)	0.025	0.05	0.2	1.0
\$/base	\$0.14	\$0.20	\$0.50	\$0.90
RP1 (\$/oligo)	N/A	\$5.00	\$5.00	\$8.00
PAGE (\$/oligo)	N/A	\$30.00	\$30.00	\$44.00
HPLC (\$/oligo)	N/A	\$30.00	\$30.00	\$44.00

DNA Oligonucleotides: Select Modifications – 5'-end only				
Single 5'-end modification*	0.025	0.05	0.2	1.0
Biotin (\$/insertion)	N/A	\$25.00	\$25.00	\$50.00
Amine C6 (\$/insertion)	N/A	\$12.50	\$12.50	\$25.00
Phosphorylation (\$/insertion)	N/A	\$12.50	\$12.50	\$25.00
Fluorescein (\$/insertion)	N/A	\$25.00	\$25.00	\$50.00
6-FAM, HEX or TET (\$/insertion)	N/A	\$37.50	\$37.50	\$50.00

\*Pricing is per insertion and does not include purification or base charges.

DNA Oligonucleotides: Select Modifications – 5'-end only				
Dual-Labeled Probes**	0.025	0.05	0.2	1.0
5'-end 6-FAM/3'-end TAMRA	\$82.50	\$116.25	\$187.50	\$337.50
5'-end HEX/3'-end TAMRA	\$82.50	\$116.25	\$187.50	\$337.50
5'-end TET/3'-end TAMRA	\$82.50	\$116.25	\$187.50	\$337.50
5'-end 6-FAM/3'-end BHQ-1	\$82.50	\$168.75	\$206.25	\$356.25

\*\*Price includes modifications and HPLC purification only. Additional base charges apply at listed rates.
